Info:

REUR Despatch 1160 June 12 and SYG's Telegram FI 323/3(7) June 9, US Government has made no voluntary contributions through UN specifically earmarked for Libya since Tenth GA's adoption Resolution 924. However, as largest contributor to ETAP, U.S. participates in extension of aid to Libya through UNTAA and UNICEF. Also since Libyan independence US has consistently contributed bilateral aid which in FY 1958 alone amounted to nearly 23 million dollars.
